<b>Subseries level 3 D0027-003-009-008-009: Railroads - Electrification</b>			
<u>Date:</u> 1927-1928 (creation)			
<u>Scope and content:</u> Engineering drawings associated with electrification of railroad locomotives and related electric power generation and transmission facilities.			
<u>Physical description:</u> 35 drawings			

Language of the material:

- English
- Latin

Access points:

- Great Northern Railway Company (U.S.)
- Railroad electrification drawings (subject)

Immediate source of acquisition: Donated by Timothy Miller. Accrual W2008-001 received on April 5, 2008.
