EXPLANATION OF CHARACTERS USED

Stations in parenthesis () indicate dualized or triplized agencies.

CONNECTIONS WITH OTHER ROADS

Abbreviations opposite Junction Stations designate the lines radiating from such station. The sign (*) indicates that connection is made over the track of another company. The sign (#) indicates that the line has no track connection direct or indirect with this company's line at that point. The carriers and abbreviations are listed below.

| <u>Carrier</u> | <u>Abbreviation</u> | <u>Carrier</u> | <u>Abbreviation</u> |
